Copy 3 of 7

MAY 1964

MEMORANDUM FOR: Executive Officer, DD/S&T

SUBJECT : Vehicle Defense Analysis Program

25X1A2d2

REFERENCE : ██████-0067-64, 26 March 1964

25X1A1a

1. Reference requested that this office be granted a ██████ increase in spending authority to finance the Vehicle Defense Analysis Program. This contract was approved in the FY 1964 operating budget program.

25X1A5a1

2. For operational reasons the Special Intercept Package contract with ██████ was accorded top priority by the Assistant Director of ELINT with the concurrence of the Deputy Director for Science and Technology. Accordingly, funds originally earmarked for the VDA Program were reprogrammed in order to finance development associated with the Special Intercept Package ██████.

25X1A2d2

3. This office has been advised that the Office of Budget, Manpower Analysis and Programming has made an additional ██████ available to the Office of ELINT to cover OSA's participation in the departmental laboratory facility and an additional ██████ has been made available to compensate for a portion of the funding reprogrammed by OEL in connection with the ██████ program. The combined effect of these actions is to increase OEL's allotment by ██████.

██████████ supplemental spending authority requested in paragraph 6-a of reference. It is our understanding that the Vehicle Defense Analysis Project outline has been forwarded to the Office of Budget, Manpower Analysis and Programming, but is being held in abeyance pending availability of year end spending authority.

25X1A5a1

5. The Assistant Director for ELINT has assigned a top priority to the Vehicle Defense Analysis Program. The contract will be with ██████████ and provides for the configuration of a special data analysis position required in connection with the "read-out" of tapes recorded in the course of reconnaissance missions.
